

Fox Lane Quieter Neighbourhoods Consultation input.

Resident Paul Mandel made a freedom of Information request and obtained the the detailed submissions to the Fox Lane QN (Quieter Neighbourhoods) on-line consultation. All personal information has been redacted.

The analysis is his own. Residents may wish to conduct their own analysis but Paul's assessment, published here cannot be amended.

- People who say the plans do not go far enough, have been included as pros.
- People with mixed view include many who live on the Mall, Selbourne Road, Amberley Road and St. Georges Road and the Meadway Est., who suffer from a lot of through traffic and are worried that the plans elsewhere will make things even worse in their area.
- Elsewhere, many people in Devonshire Road and Old Park Road think the plans do not go far enough) whilst there is a lot of antipathy to the plans from residents in Conway, Harlech and Ulleswater.
- On the remaining roads it is a mixed picture.

In summary:

- 201 (43%) Total pro
- 168 (36%) Total anti
- 99 (21%) Total mixed

Total Resident 468 Submissions

Total from outside the area 9
