

Do you know of an empty private property in Enfield?

We need the help of Enfield residents, owners and landlords to identify empty homes

Did you know empty properties can...?

- ▶ attract fly tipping
- ▶ attract vandals and squatters
- ▶ blight communities
- ▶ devalue the home next door by 18%
- ▶ tie up resources of the council and emergency services

We can...

- ✓ track down empty property owners
- ✓ offer advice and assistance
- ✓ take enforcement action, such as Compulsory Purchase Orders

Enfield Council is working to ensure empty properties are brought back into use as quickly as possible. To report an empty property contact the Empty Property Team: email empty.property@enfield.gov.uk or on 020 8379 4287.

Don't delay, Act now.

For more information about how to get empty properties back into use visit our website.
