

## **Palmers Green Cape Meeting March 2019**

Report provided by Don Arthur

### **Police Report.**

Local arrested ( believed ) to be responsible for many of the recent stolen car reports.

Thames Water- Council to engage with T.W. re the boundary fencing in PG Ward where houses that have back gardens that abut the fences, and are suffering from burglary attempts from the riverside.

Beggars on Green Lanes- seem to be getting the message, still a couple around.

Osbourne Rd - ASB still awaiting a camera for surveillance use.

### **McDonald's**

Long discussion on the many reports of major problems at McDonald's

Cllr Tim Leaver / Police report of a reason that Lodge Drive car park is little used for that purpose.

Due to the online delivery food service offered by McDonalds, this is causing more than normal bike delivery companies coming and going all day long. This is causing the use of kerbs on Green lanes and Lodge Drive being used as run ups, up to 12 hours a day. Bikes also parking on pavements on both roads, causing arguments with residents, passers-by and cycles users. Police report that this outlet is now as bad as the branches in Southgate, Enfield and Edmonton. When called to the shop, customers are found walking upon the tables, leaving without payment, general disturbance.

Customers are between 10-15 years old and can arrive mainly after school ( Broomfield/ Winchmore ).

The Police again report of intimidation of themselves plus being filmed. Cash point users are also often a target. Arranged fights are taking place outside the shop.

Some drugs have been found.
