

## **Southgate Office Village (SOV)**

The deadline for submitting comments on the planning application is **Wednesday 10<sup>th</sup> July**.

Attached you will see some new visualisations prepared by one of our members. These show the view from Mayfield Avenue and from High Street. Also, attached is a page from one of the application documents, which shows their vision for Southgate and the opportunity for more high rise redevelopment.

What ever you think of the development, if approved **it will change Southgate for ever**. It will change the view from across North London and set a **precedent** for high rise buildings in Enfield and transport hubs around London.

It is very important that we **all** respond to the planning application to make sure the community's views are considered. In all these things, it is both the number of responses and type of responses received that is important. **Every letter counts**.

What is key, is being as **specific** as possible in your comments; just saying you 'don't like the development' will have no impact, so you must give focussed reasons.

You can view the full planning application for Southgate Office Village via the London Borough of Enfield Planning

Portal: <https://planningandbuildingcontrol.enfield.gov.uk/online-applications/>. The reference is: **19/01941/FUL**.

The most efficient way to register your comments is via the planning portal, however, this is still not working. In the meantime, if you cannot access the site, you send your comments via e-mail to [planning.decisions@enfield.gov.uk](mailto:planning.decisions@enfield.gov.uk) quoting as your reference **19/01941/FUL**. You should also explain that you could not send responses via the website and request confirmation that your response will be logged for this application.

You should **copy the Southgate Ward Councillors** as well, to ensure they are aware of your views:

Cllr Charith Gunawardena: [cldr.charith.gunawardena@enfield.gov.uk](mailto:cldr.charith.gunawardena@enfield.gov.uk)

Cllr Stephanos Ioannou: [Cllr.Stephanos.Ioannou@enfield.gov.uk](mailto:Cllr.Stephanos.Ioannou@enfield.gov.uk)

Cllr Derek Levy: [Cllr.Derek.Levy@enfield.gov.uk](mailto:Cllr.Derek.Levy@enfield.gov.uk)

SDCT would like to understand how many responses, both for and against, have been made. If you could mail us to say you sent in a comment that would help.

**Pass this on:** please pass on this mail to all your friends, family and neighbours to ensure everyone knows about this proposed development and has an opportunity to comment. Share and retweet our social media posts, let's be sure everyone in Southgate knows what is proposed and what to do.

Regards
