Statement (approximately 100 words)

I value my community and see the committee as an opportunity to become actively involved. I stand behind the principles of impartiality, pluralism and respect for the voice of all residents.

Professionally I work in corporate development/strategy but also dedicate time to a local charity supporting people in crisis where additionally I train and mentor others. I also perform pro bono work for start-ups focused on socially conscious projects. I would look to bring my ability to listen without judgement and analytical skill set as a Chartered Accountant to the role.

Key areas of interest are: Finding ways to leverage our knowledge to help each other, invigorating engagement and communication in the community and practical issues like paving, litter and antisocial behaviour.

I authorise FLDR to share my name and statement with FLDR members.	Yes X	No
