Statement (approximately 100 words)

I have been resident in Selborne Rd for 27 years, and have committee and trustee experience. As a committee member I would work hard to ensure that all residents have equal access to a listening, non- judgemental ear. Interests are in developing a network of informal, 'street reps' who could feedback to the organisation on pertinent local issues, crime prevention, and developing schemes to collectivise reduction in plastic and food waste.
