Statement

Standing for the position of chair

Proposed by Keith Weller

Seconded by Richard Mapleston

My name is Philip Sheffield and I live in Conway Road. I believe that the FLDR Chair should remain impartial in matters where the association has been granted the opportunity by the council to express a view. I will seek to bring unity where there has been discord and encourage frank discussions and consensus. The FLDR should not be driven by a special interest group and should make representations to the council on many subjects by asking important questions for the betterment of all residents and local businesses through consultation with those residents and businesses on everything from safer streets to tree care to disabled access and care of the vulnerable.

I authorise FLDR to share my name and statement with FLDR members.	Yes
