Statement (approximately 100 words)

I have served for three years on the FL DRA committee, taking the education brief because of my professional background: collecting and sharing data, attending meetings and lobbying. I have also been the FL DRA delegate to EnCAF, the excellent voluntary sector Enfield Climate Action Forum, and corresponded with unhearing NLWA politicians committed to the poisonous Edmonton incinerator. If I get back onto the committee I will volunteer to take a role on membership, working to ensure a successful transition from the current team who are standing down.

I authorise FL DRA to share my name and statement with FL DRA members who have registered to attend the AGM. Yes
