Statement (approximately 100 words)

My background is in law and I have a strong understanding of how to conduct research in order to draft detailed and accurate responses.

I am well versed in putting together a formidable argument, highlighting reasons for or against with valid justifications for doing so. Whilst investigating a planning matter. I uncovered and successfully exposed an illegal conversion. When reviewing the timeline of events, I was able to show the conversion had been deliberately concealed - and although it had been in existence for 10 years, was not lawful and was not immune from enforcement action.

I am also a co-opted committee member.

I authorise FLdra to share my name and statement with FLdra members.	Yes X	No
