

Maxability – Big Give Campaign

Maxability is a local charity, supported by FLDR.

Founded by local residents Anita and Emile Woolf, Maxability provides pottery classes to people with disabilities. Thus enabling them to maximise their abilities and potential.

Many of you may be aware of them through the concerts held regularly in the family home in Greenacre Walk.

Currently the charity is running a **Kind 2 Mind Campaign**

Big Give will match the fund our pot of money, so, **one donation, double the impact!**

Before you take 2 minutes to click on the link and see our campaign - thank you. I know you are very busy and Maxability will benefit from any interaction or support you choose to make.

We are very grateful for any time, sharing and / or support you choose to give to the Hands on the Wheel pottery programme for disabled and vulnerable people here at Maxability.
